"I have made a careful chemical analysis of these Wines, and subjoin the results. I am of opinion that they represent the pure juice of the grape, untampered with in any way, and having received no addition, injurious or otherwise. For these reasons I consider these Wines to be highly suitable for altar purposes.

### CHRONOLOGICAL CYCLES, 1904.

Golden Numbe	er -	-	5	Dominical Letters	-	СВ
Epact -	•	-	xiii	Roman Indiction	-	2
Solar Cycle	-		9	Julian Period	-	6617

The Dominical or Sunday Letter for any year is that one of the first seven letters of the Alphabet which stands opposite the first Sunday of the year, when the first letter of the Alphabet is placed opposite the first day of the year, the second letter opposite the second day, and so on. It is obvious that if these seven letters be repeated in order opposite the remaining days of the year, the same letter which stood opposite the first Sunday will stand opposite every succeeding Sunday. Hence the use of the Dominical Letter in the Calendar is to indicate the days of the month on which the Sundays will fall in the different years.

Leap years have two Dominical Letters, one of which indicates the Sundays during the months of January and February; the other during the remaining months.

The Dominical Letters for the present year are C B.

THE GOLDEN NUMBER of a given year is the number which indicates the place of that year in the lunar cycle. This cycle is a period of nineteen years, and is called the LUNAR CYCLE because in every nineteenth year the different lunar phases—new moon, full moon, etc.—happen on the same days of the month, though about one hour and a half earlier in the day. It is also called the METONIC CYCLE, from the name of its discoverer, Meton, an Athenian astronomer, who published his discovery at the Olympic games celebrated in the year 432, B.C. The first year of the Christian era is regarded as the second year of the current lunar cycle; hence we have the following rule for finding the Golden Number of any given year:—Add 1 to the date of the year, and divide the sum by 19; the remainder is the Golden Number. If there is no remainder, the Golden Number is 19. The Golden Number for the present year found by this rule is 5.

$$1904 + 1 \div 19 = 100 4s$$

The EPACT of any year is the number which represents in days the age of the moon on the 1st January of that year. One lunar month according to the Ecclesiastical Calendar contains 29½ days. Twelve lunar months, therefore, contain 354 days. Hence if the first day of a lunar month coincides with the 1st January of a particular year, the moon's age on the next 1st January (supposing the year to be a common one) will be 365 — 354, or 11 days. This number, 11, is then the Epact of that second year. For the third year of this series the Epact will be 2 (365 — 354), or 22; for the fourth year, 3 (365 — 354), or 33. But when the Epact is equal to or exceeds 30, a month is introduced or intercalated, and the Epact of the year is the remainder after deducting 30. For the fourth year of the above series, therefore, the Epact will be 3, instead of 33.

Exump'e-. To flied the number of days from the 5th June to the 15th March following. Find June in the first column, and then in a line with that under Maiol, is 273 days. If it were from the 16th June to the 26th March, it would be 10 days more or 282 days; but if from the icth June to the 5th March, it would be 10 days less, or 263 days. In lesa y years, when the last day of February is included between the two dates, there will be one day more than by the table. The Indiction or Cycle of Indiction is a period of 15 years. It has no connection with any ecclesiastical feasts or religious observances and was first employed, it is believed, by Constantine the Great. The Indiction continued to be employed for centuries by Popes and Emperors as a convenient method of reckoning time and of expressing dates. The point of departure of the Indictions was fixed by Pope Gregory VII. (1073-1085) to be the first day of the year 313, A.D. Reckoning backwards we find that the year 1, A.D., was the fourth year of the current Indiction. Hence to find the place of any year of the Christian Era in the current Cycle of Indiction, we have but to add 3 to the date of the year in question and divide the sum by 15. The present year is, therefore, the second of the current Indiction. For

The highest county percentage of persons who could speak Irish in the Province of Leinster is that for the county of Louth—4.9 per cent. of the population. There are 4 counties in this Province in which not one per cent. of the people could speak Irish, viz.:—Carlow, King's, Longford, and Queen's. In Kilkenny, Dublin, and Meath, the percentages were respectively 4.5, 2.2, and 2.0.

In the Province of Munster there are two counties, in 1901, in which the proportion of the population who could speak Irish was under 20 per cent., viz.:—Limerick and Tipperary, in the former of which

the percentage was 11.4, and in the latter 6.1.

With the exception of Donegal, there is not any county in Ulster which had, in 1901, 20 per cent. of its population able to speak Irish—the nearest approaches being the counties of Monaghan, Cavan, Tyrone, and Armagh, in which the percentages were respectively 7·1, 5·6, 4·3, 3·6. In neither Antrim nor Down could one per cent. of the population speak Irish.

There are two counties in the Province of Connaught in which not 20 per cent. of the population could speak Irish, viz.:—Leitrim and Roscommon, in which the percentages were 5.8 and 15.1 respectively.

The following statement shows the counties in which over 20 per cent. of the population in 1891 and in 1901 were returned as able to speak the Irish language:—

Province	· County		Number 1901	Per-centage to Population 1901	Number 1891	Per-centage to Population 1891

Connaught,	Sligo	•	17,570	20.9	21,336	21.8

From the foregoing statement it will be seen that in eight of the thirty-two counties over 20 per cent. of the population in 1891 and 1901 could speak the Irish language; four of those counties are situate in Munster, three in Connaught, and one in Ulster.

# EMIGRATION.

The number of emigrants during the twenty years 1881-1891 was equal to an average annual rate of 12.5 per 1,000 of the mean population; the rate for Leinster being 7.8; Munster, 18.0; Ulster, 9.2; and Connaught, 19.0 per 1,000.

The following statement shows the counties arranged according to the highest annual rate of emgration per 1,000 of the population during the twenty years ended March 31st, 1901:—

Number of Emigrants, 1851-1901.—The total number of Emigrants natives of Ireland-who left Irish ports from the 1st of May, 1851 (the date at which the collection of these returns commenced), to the 31st of March, 1901, is 3,846,393-2,006,421 males and 1,839,972 females The number for each year is given in the following Table (II.), from which it appears that the highest number in any one year was 190,322 in 1852, and the lowest, 32,241, in 1898. In the decade from 1866 to 1875, the average annual number of Emigrants was 74.667: in the decade 1856 to 1865, the average number per annum amounted to 88,272, and in the four preceding years, from 1852 to 1855, the number averaged 148,985 annually. In 1876 the number fell to 37,587, the lowest number for any of the 26 years, 1851-76. After 1876 it increased steadily, but slowly, for three years to 38,503 in 1877, 41,124 in 1878, and 47,065 in 1879. In 1880 the number rose to 95,517, but it fell to 78,417 in 1881. In 1882 however, an increase of 10,719 took place, and there was a further increase in 1883, in which year the emigrants amounted to 108,724; then a decrease of 32,861 took place in 1884 compared with 1883, and a decrease of 13.829 in 1885 compared with 1884, followed by an increase of 1.101 in 1886, and a further increase of 19,788 in 1887, in which year the number was 82,923. After 1887 there was a gradual annual decline to 35,895 in 1894; in 1895 the number rose to 48,703; it then fell to 38,995 in 1896. to 32,535 in 1897, and to 32,241 in 1898, and (as before stated) it rose to 41,232 in 1899, and to 45,288 in 1900.

Property passing on death will include both real and personal property—(a) Over which the deceased had a disposing power: (b) Which d

was settled and an interest in which accrues on the death to some other person: (c) Property which would be subject to account duty under the Acts of 1881 and 1889 if those Acts were extended to real property and to settlements which are not voluntary: (d) Any annuity purchased by the deceased to the extent of the beneficial interest accruing on the death. (Single annuities not exceeding £25; annuities payable by Governor of British India to widow or child of deceased officer; advowson which would have been free from succession duty under 16 and 17 Vict. c. 51, sec. 24, exempt; objects of National, Scientific, or Historic interest exempt, 59 and 60 Vict. c. 28.)

Of the property passing at death all which was at the deceased's own disposition, or goes to his family, will be aggregated, and pay the graduated rate of duty in the schedule on the aggregate value.

SUCCESSION TO REAL AND PERSONAL PROPERTY.—Where property is settled by the will of the deceased, or passes by his death under some other disposition to a person not competent to dispose of the property, a further duty of 1 per cent., called the Settlement Estate Duty, is payable upon the property so settled.

If the gross value of the property in respect of which estate duty is leviable on the death of the deceased does not exceed £300, a fixed duty of 30s. is payable, and a fixed duty of 50s. when the gross does not exceed £500.

If the net property passing under the will of the deceased does not exceed £1,000, it shall not be aggregated with other property, and, when the proper rate of estate duty has been paid thereon, no further duties are chargeable.

In addition to the estate duty, legacy and succession duties continue to be payable as before when the property passes to persons other than a lineal ascendant or descendant of the testator or intestate.

# LAST WILL OR TESTAMENT.

It is important that all who have property to bequeath, or instructions to give for the Catholic education of their children, should make their wills while their health and faculties are unimpaired. Instead of trusting in printed forms and directions, it is always better to obtain the help of an experienced lawyer. A will must be written in ink, on paper or parchment. It must be signed at the end by the testator, in the presence of two or more witnesses, and he should, after signing it, take it in his hands and say: "I acknowledge this to be my last Will and Testament, and request you to witness it." The witnesses (who must be parties not interested in the Will) will then sign in the presence of the testator, and of each other, writing fully and clearly their name, surname, residence, and trade or profession, &c. It is not absolutely necessary for the witnesses to know the contents of a Will. Obliterations and alterations should be avoided, and when they are necessary should be signed by the testator and witnesses.

The above Summary of Archiepiscopal and Episcop d Residential Sees amounts in all to 993. But in this list we do not include districts governed by Prefects Apostolic and Apostolic Vicars, who exercise episcopal functions and jurisdiction under the *Propaganda*.

#### THE ROMAN CONGREGATIONS.

#### THE CONGREGATION OF THE HOLY OFFICE.

This Congregation, erected and constituted by Pope Paul III. in the year 1542, was approved and enriched with many privileges by his successors Pius IV., Pius V., and Sixtus V. Its object was to combat heresy and false doctrines, and to restrain heretics from injuring religion and the Church. The Pope himself is always Prefect of this Congregation, and the Dean of the Sacred College of Cardinals its Secretary. The Chief Commissary of the Congregation must belong to the Dominican Order and the Province of Lombardy. Two of its Consultors must also belong to the Dominicans, and one to the Minor Conventuals.

#### CONGREGATION OF PROPAGANDA.

This Congregation was founded by Pope Gregory XV. in 1622. The Pope in his Constitution Inscrutabili conferred upon it the most ample powers for the Propagation of the Faith, and especially for the superintendence of missions in countries where heretics or infidels had to be evangelised. For this purpose it could not only appoint and change the necessary ministers in the countries specially submitted to its care, but also perform everything else it considered either necessary or opportune for the advancement of religion in such districts and provinces. The jurisdiction proper of the Congregation extends to all territories which are governed "more missionum," or as missionary countries, i.e., not by bishops constituted in the regular hierarchy, but by Prefects and

Vicars Apostolic. Certain countries, even where the regular hierarchy is established, such as Ireland, England, and Scotland, and the United States, are likewise subject to the Congregation, and transact almost all their business with the Roman Curia through it. Hence, applications for dispensations, etc., are addressed to this Congregation through its Secretary. The Congregation has, moreover, a legislative and judicial power; and by authority conferred upon it by Gregory XV., and confirmed by Urban VIII. and Innocent X., its decrees, signed by the Secretary, and confirmed by the Prefect, have the force and authority of an Apostolic Constitution.

All communications should be written in Latin, or, at least, in French

or Italian, and addressed to the Secretary as follows:

A Sua Eccellenza Revma.,

Il Signor Segretario della Congregazione,

di Propaganda Fide,

Rome.

The present Prefect is Cardinal Jerome Maria Gotti and the Secretary, Mgr. Aloisi Veccia.

#### CONGREGATION OF THE COUNCIL.

This Congregation was founded by Pius IV., for the purpose of promoting the observance of the decrees of the Council of Trent. To this Pius V. added the interpretation of these decrees and the decision of all controversies arising from them. In 1587, this Congregation was also commissioned by Pope Sixtus V. to revise the decrees of all provincial Councils, and to see that all Bishops paid, at the time required by the Canons, their visits, "ad limina apostolorum," and submitted to the Holy See a report of their dioceses. Benedict XIV., however, appointed a special Congregation in connection with the Council, for the purpose of examining the Decrees of National and Provincial Synods, and a similar one was constituted by Pius IN., for the special purpose of attending to the visits and reports of Patriarchs, Archbishops, and Bishops.

#### CONGREGATION OF THE INDEX.

This Congregation was founded by Pius V., and confirmed by Gregory XIII., Sixtus V., and Clement VIII. Its office is to examine bcoks submitted to its judgment by Bishops or others, and to proscribe those it finds opposed to faith and morals. An *Index* or catalogue of wicked and dangerous books had already been drawn up at the Council of Trent, and approved by Pope Pius IV. Hence the name.

#### CONGREGATION OF RITES.

This Congregation was instituted by Sixtus V., for the purpose of promoting the observance of the Sacred Rites and Ceremonies of the Church, and of restoring and reforming them when necessary. It was

also charged with the process of the Canonization of Saints, and with the regulation of the days to be observed as feasts in the Church, and was bound besides to see that all Kings, Princes, Ambassadors, and other exalted personages, whether lay or clerical, were received with becoming dignity and honour at the Papal Court. These are the duties which it still performs.

#### CONGREGATION OF BISHOPS AND REGULARS.

This Congregation was founded by Gregory XIII. and Sixtus V., for the arrangement of the rights and privileges of Bishops and of the Regular Orders established in the Church. Hence all cases of appeal against the Bishops' decisions, whether by seculars or regulars, is referred to it. It is also entrusted with the revision and approbation of the rules of religious bodies.

## CONGREGATION OF EXTRAORDINARY ECCLESIASTICAL AFFAIRS.

Founded by Pius VII. in 1814, to assist the Cardinal Secretary of State in maintaining proper relations with foreign countries, especially in times of revolution and disturbance. All concordats and relations with foreign governments come under its supervision. It consists of eight Cardinals, one Secretary, and two Consultors.

#### CONGREGATION OF INDULGENCES AND SACRED RELICS.

Founded by Pope Clement IX. in 1669, for the purpose of solving all doubts and difficulties concerning indulgences and relics, correcting abuses relating thereto, forbidding apocryphal, false, or indiscreet indulgences, examining relics newly discovered, etc., etc. General indulgences obtained directly from the Sovereign Pontiff are null and void, unless a copy of such concession be deposited with the Secretary of this Congregation.—Decretum Benedicti XIV., 28th Jan., 1756.

#### CONGREGATION OF RESIDENCE OF BISHOPS.

Many laws exist, differing according to circumstances, obliging Bishops to reside in their diocese. Urban VIII. established this Congregation for the purpose of seeing that these laws were observed. The rules to be followed by the Congregation were laid down by Benedict XIV., and are now part of the Canon Law.

#### CONGREGATION OF ECCLESIASTICAL IMMUNITY.

Instituted by Urban VIII. to protect and defend lawful ecclesiastical immunities against the encroachment and attacks of civil magistrates and secular communities. Most of the cases submitted to this Congregation for examination and judgment arose in the Papal States. Conflicts and controversies regarding concordats with other countries are now generally decided by the Cardinal Secretary of State, assisted by the members of the Congregation of Extraordinary Ecclesiastical Affairs.

#### CONGREGATION OF REGULAR DISCIPLINE.

This Congregation was established by Innocent XII. to promote the observance of discipline in monasteries and convents, to regulate the time to be spent in novitiates, to grant licences for the reception of postulants, and for their training and profession, etc., etc.

#### CONGREGATION OF THE STATE OF REGULARS.

Pope Pius IX. restricted the jurisdiction of the preceding Congregation to Italy and the adjacent islands, and established the new Congregation of the State of Regulars to perform similar duties for countries outside of Italy.

#### CONGREGATION OF THE CONSISTORIAL.

The office of this Congregation is to examine and discuss what are the questions which call for a formal pronouncement of the Pope at a private or public Consistory. It inquires particularly into the applications for the crection of new churches, patriarchal, metropolitan, and cathedral; regulates all about chapters, the number of canonicates, etc., and decides controversies arising therefrom. The Congregation was founded by Sixtus V. in 1588.

## CONGREGATIONS OF THE APOSTOLIC VISIT AND

These two Congregations were established to regulate the visits to the churches and holy places in the City of Rome, and the privileges attached thereto, and to have charge of the Shrine and Sanctuary of Loretto.

#### CONGREGATION OF CEREMONIAL.

This Congregation arranges all the Pontifical ceremonies, and decides questions of participation and precedence in them.

#### CONGREGATION OF THE FABRIC OF ST. PETER.

This Congregation was founded for the administration and preservation of St. Peter's, and for the realization of pious bequests.

## CONGREGATIONS OF EXAMINATION OF BISHOPS AND OF STUDIES.

These two Congregations were established, the former for the examination in Theology and Canon Law of Roman priests named for the Episcopate, and the latter for the advancement of studies and education generally in Rome and the Papal States.

## Irish Ecclesiastical Register.

IRELAND is divided, ecclesiastically, into four Provinces, named after the four Archiepiscopal Sees, Armagh, Dublin, Cashel, and Tuam, which are not coincident with the civil Provinces, in which they are respectively situated. The Province of Armagh, containing the Primatial See of All Ireland, embraces, besides the civil Province of Ulster, the whole or portions of the counties of Louth, Meath, Westmeath, King's, and Longford, in Leinster; of Leitrim, Sligo, and Roscommon, in Connaught: the Province of Dublin, under the Primate of Ireland, contains a portion only of the civil Province of Leinster, embracing the whole or portions of the counties of Dublin, Kildare, Wicklow, Queen's, Wexford, Carlow, King's and Kilkenny; the Province of Cashel is mainly coincident with the civil Province of Munster; whilst the Province of Tuam is smaller than the civil Province of Connaught, and includes the whole or portions of the counties of Galway, Mayo, Sligo, Roscommon, Clare, and King's.

The Province of Armagh includes the Diocese of Armagh, with the Dioceses of Meath, Ardagh, Clogher, Derry, Down and Connor, Dromore, Kilmore, and Raphoe, as Suffragan Sees; total, nine Dioceses.

The Province of Dublin includes the Diocese of Dublin with the Dioceses of Ferns, Kildare and Leighlin, and Ossory, as Suffragan Sees; total, four Dioceses.

The Province of Cashel includes the Diocese of Cashel, with the Diocese of Emly attached, the Dioceses of Cork, Cloyne, Killaloe, Kerry, Kilfenora, Limerick, Ross, Waterford and Lismore, as Suffragan Sees; total, nine Dioceses. The Diocese of Kilfenora is assigned to the Bishop of Galway as its Apostolic Administrator.

The Province of Tuam includes the Diocese of Tuam, with the Dioceses of Achrony, Clonfert, Elphin, Galway and Kilmacduagh, and Killala, as Suffragan Sees; total, six Dioceses.

There are, thus, four Provinces, each presided over by an Archbishop, and twenty-four Suffragan Sees, or a total of twenty-eight Dioceses in Ireland.

Clergy Lists.—In every case the Diocesan Clergy List has been revised by the Bishop or his Secretary, and this is a guarantee, so far as can be secured, of the accuracy of the information supplied.

Chapters.—In many of the Dioceses the Chapters have been revived and organised, the members of which, together with the principal Dignitaries of the Diocese, will be found under the heading of the respective Sees.

Parishes and Benefices.—The number of civil or legal Parishes in Ireland is 2,428, and the number of Catholic Parishes or Benefices marked by territorial jurisdiction, 1,087, so that the civil and the Catholic ecclesiastical Parishes are rarely conterminous. The number of Parishes or Benefices in the Dis-Established Church, is 1,510. Catholics have the deepest interest in adhering to the primitive designation and orthography of the several territorial divisions, Diocesan and Parochial, of the Irish Church, as a classified analysis of the derivation, origin, and history of such designations would form a vast and most important body of evidence testifying to the intimate connexion which subsists between the faith of the people and the very topography of the kingdom.

Public Institutions.—All Public Institutions in each Diocese, having Catholic Chaplains attached, as Workhouses, Lunatic Asylums, County, City, and Government Prisons, Military Barracks, &c., are published.

Regular Clergy.—The usual Diocesan Returns of the Regular Clergy will be found under each Diocese. Moreover all the Communities of each Order in Ireland or of Irish branches abroad are set forth under the heading, "List of the Regular Clergy."

Religious Communities of Men and of Women.—Diocesan and other Returns are published of these Orders, with such information respecting each as may be expected in a Registry.

Educational Institutions.—These are fully considered under each Diocese, and are also indicated in a special section devoted to the position of Catholic Education in Ireland.

Charitable Institutions.—Orphanages, Asylums, Refuges, Hospitals, Reformatories, Industrial Schools, &c., will be found under the respective Dioceses in which they exist.

Obituary.—Diocesan Returns, obtained from the Bishops themselves, give an authentic list of the Clergy, &c., who died within the past year.

State and Progress of Religion.—Summaries, under various Heads, supplied by the Bishops, or prepared from their Returns, are given, indicating the state of Religion in the Diocese. We also give the Catholic and non-Catholic population of each Diocese for the years 1861, 1871, 1881, 1891, and 1901.

Primary Schools.—Large Convent Schools in Sligo, Roscommon, Elphin, Boyle, Athlone, Castlerea, and Strokestown, attended by over 3,000 girls. The Parochial Schools, under secular teachers, now exceed in number 300. Model Schools have been erected and opened in Sligo in defiance of the protests of the Bishop, and of the adverse decision of all the prelates of the province assembled in Synod; but no Catholic pupil enters their unhallowed walls, and supported at an immense expense from the public taxes, there they stand a monument of British aggression upon Catholic rights, and also of Catholic fidelity to the voice of their pastors.

### CHRISTIAN BROTHERS.

The Institute of the Christian Brothers, founded in 1802 by the revered Edmond Ignatius Rice, was formally approved and confirmed in 1820 by a Brief of the Sovereign Pontiff Pope Pius VII. of happy memory.

Since that time it has received many special marks of favour from succeeding Popes—Pius VIII., Gregory XVI., Pius IX., Leo XIII., and Pius X.

The main object of the Brothers, after their own sanctification, is the Christian education of youth, to which, after due preparation, they

entirely and irrevocably devote themselves.

The most suitable age for postulants to enter the novitiate is between 16 and 25; those seeking admission must possess the talents necessary to prosecute the course of studies prescribed by the Institute for its members.

The first novitiate is at Baldoyle, Co. Dublin; here the postulants are prepared for the reception of the Habit of the Institute, and when sufficiently advanced in their studies they are transferred to the senior

novitiate or training college at Marino.

All seeking admission should have letters of recommendation from their spiritual director or parish priest; they should also present their baptismal certificates.

Further particulars may be obtained by applying to the Christian Brothers, at Marino, near Dublin, where the Superior General, Rev. Brother M. T. Moylan, and his Assistants, Rev. Brothers P. A. Treacy, T. I. O'Neill, J. C. Whitty, and P. J. Hennessy, reside.

### THE IRISH COLLEGE, ROME-continued.

THIS College, founded in 1626, was the fruit of a petition presented in 1625 by the Bishops of Ireland to the Holy See praying for the establishment of an Irish College in Rome. The Bishops state that they are led to desire this by the following, amongst other reasons:—"That a loving obedience to the Holy See may be fostered by immediate contact with her; and that uniformity of ecclesiastical teaching and discipline may be maintained by intimate personal communication with the Roman Church, lest, cut off from the fertilising influence of Rome, as with the mountains of Gelboe, neither dew nor rain from heaven should come upon us."

The mission thus traced out for an Irish college in Rome is in itself a forcible appeal to Irish Catholics to make the College which is actually discharging it worthy of its high purpose. For this two things are required:—

First.—The extension of the material resources of the College. Hence donations to it, or the foundation of Burses in it, are warmly recommended to the piety and patriotism of the Clergy and Laity.

Secondly.—The presence in the College of a body of students of promise, fitted to profit by the unique advantages offered to the student of the Sacred Sciences in Rome, and to do honour to the Irish name in the intellectual arena in which meet the flower of the ecclesiastical youth of the Catholic world.

### ADMISSION OF STUDENTS.

- 1. The College being intended for the education of Irish students, only Irishmen, or students whose fathers are of Irish birth, are eligible for admission.
- 2. An entrance examination is held annually on the third Thursday of September (this year September 15th), at Holy Cross College, Clonliffe, Dublin.
  - 3. Each candidate is required to present:—
    - (a) A certificate that he has satisfied the examiners at this examination.
    - (b) Letters of nomination from his Bishop.
    - (c) Testimonials from his Parish Priest and from the President of the College in which he has studied.
    - (d) Certificate of Baptism.
- 4. Successful Candidates are to proceed to Rome directly the examination is over.

or detailed information apply to the Rector.

All the Bishops of the Province of Tuam, with a large number of priests, took part in the function. The panegyric of the deceased Archbishop was preached by the Most Rev. Dr. MacCormack, Bishop of Galway.

JANUARY 22.—The Month's Mind of the late Most Rev. Dr. Woodlock, Bishop of Trapezopolis, and former Bishop of Ardagh, was observed to-day in St. Mel's Cathedral, Longford. The Most Rev. Dr. Hoare, Bishop of Ardagh, presided at the solemn function, in which the following Bishops also took part:—Most Rev. Dr. Browne, Bishop of Ferns; Most Rev. Dr. O'Donnell, Bishop of Raphoe; Most Rev Dr. Gaffney, Bishop of Meath. The memorial sermon was preached by the Most Rev. Dr. O'Donnell, Bishop of Raphoe.

JANUARY 27.—At the usual January meeting of the Standing Committee of the Archbishops and Bishops of Ireland, held at University College, Stephen's Green, the following resolutions were unanimously adopted:—

1.—"The holding on a recent occasion of a Conference between representatives of the tenant farmers and of the landowners of Ireland, the Bishops consider to be an event of the best augury for the future welfare of both classes, and they earnestly hope that the unanimity of the Conference will result, without further delay, in legislation that will settle the land question once for all, and give the Irish people of every class a fair opportunity to live in, and serve, their native land.

2.—" Having become aware through the public Press that a scheme for the co-ordination of the Queen's College, Belfast, with the proposed Technical Institute in Belfast, has recently been put forward, we protest against any action being taken for this purpose until the public have had an opportunity of considering the Report of the Royal Commission on University Education, and also any legislative proposals which the Government may make in reference thereto.

"We take this opportunity of republishing a resolution adopted by

us on the 1st of May, 1900:-

"The Standing Committee of the Archbishops and Bishops of Ireland have had under consideration a scheme which they have reason to believe is in contemplation for utilising the Queen's Colleges in giving effect to the provisions of the Agricultural and Technical Instruction Act. They protest against any attempt—whether made under colour of carrying out a system of Technical and Agricultural instruction or otherwise—to give new life and extended cmoluments to institutions which have been too long maintained in opposition to the persistent remonstrances of the Catholics of Ireland."

MICHAEL CARDINAL LOGUF, Chairman.

₩ John, Bishop of Clonfert.

FEBRUARY 22.—In the Pastorals addressed by the Irish Bishops to their flocks at the opening of Lent many subjects of importance to the spiritual and temporal welfare of the people are dealt with, but chief among the evils condemned by their Lordships is the vice of intemperance. There appears to be a consensus of opinion that the Anti-Treating League is a most effective means of combating this evil. Many of the Bishops refer in tones of hope to the good results which are likely to follow from the Land Purchase Bill promised in the coming Session of Parliament.

FERRUARY 23.—On the morning of the 20th February the 25th anniversary of the Holy Father's election to the Pontificate, Cardinal Logue sent to His Holiness the following congratulatory telegram:—

Non-Catholics unite with Catholics in now paying tribute to the grandeur of his character. In Ireland the news of his death is received with the keenest regret, and many fervent prayers will be offered for his soul by his faithful Irish children. ### AUGUST.

August 4.—Cardinal Joseph Sarto, Patriarch of Venice, was to-day elected Pope, and has taken the title of Pius X. The new Pope is 68 years old. He was born of humble parents at Riese, near Venice, in 1835; was appointed Bishop of Mantua in 1884; created Cardinal and Patriarch of Venice in 1893. He is noted for his humility and benevolence, and his election is received with general rejoicing.

August 14.—Sir Thomas Esmonde had an audience with His Holiness to-day, to present to him on behalf of the Irish Party, and on behalf of the Irish race whom they represent, congratulations on his election to the Apostolic Throne. The Pope, in reply, spoke in glowing terms of the faith and good works of the Irish people, and said he cherished a warm affection in his heart for Ireland.

Sir Thomas Esmonde afterwards received the following letter from

Monsignor Merry del Val, Acting Secretary of State: -

"HONOURABLE SIR,—You have discharged a high and memorable mission in the name of the Irish Parliamentary Party by laying at the feet of the Holy Father your affectionate and elevated address expressive of sentiments of unalterable attachment to the Holy See,

together with best wishes for its ample prosperity.

The opportunity you have furnished to the new Vicar of Christ to direct his august attention to the loyalty and undying fidelity of the Irish people comes most appropriately in the midst of the testimonies of devotion and respect which come to him from all parts of the world. It is therefore with extreme satisfaction that the successor of St. Peter, from whom the great apostle of your noble people derived the authority of his evangelic mission, sees to-day continued and confirmed the hereditary national virtues of your race. In consequence thereof, in thanking you for your most acceptable homage His Holiness takes pleasure in return in expressing his heartfelt good wishes for the faithful nation you represent, convinced as he is that you and your colleagues of the Irish Parliamentary Party will constantly aspire to add to the renown of the Faith you profess. He is pleased to bless with a full heart yourself, your colleagues, your families, and the whole of the people of Ireland. In communicating the foregoing, I have the honour to be, with much esteem,

"Yours faithfully,

"RAFFABLE MERRY DEL. VAL." Acting Secretary of State to the Vatican.

"August 15, 1903.
"To Sir Thomas Esmonde, Bart., Parliamentary Whip of the Irish Parliamentary Party."

August 15.—During the past week the Queenstown Cathedral Bazaar has attracted immense crowds. It is hoped that the proceeds will suffice to complete the beautiful Cathedral.

AUGUST 16.—A remarkable scene was witnessed to-day on Croagh Patrick, Co. Mayo, when Mass was celebrated on the summit in presence of a vast congregation. It was intended that the Archbishop of Tuam should preach, but owing to the inclemency of the weather, he was unable to attend.

AUGUST 18.—It is announced from Rome that Dr. Bourne, Bishop of Southwark, has been translated to the vacant Archiepiscopal See of Westminster, and that Dr. Louis Charles Casartelli has been appointed Bishop of Salford.

Dr. Bourne was born at Clapham in 1861, was ordained priest in 1884, appointed Coadjutor-Bishop of Southwark in 1896, and succeeded to the See of Southwark in 1897. He derives Irish blood from his

mother, Ellen Byrne, a native of Dublin.

Dr. Casartelli was born in 1852, at Manchester, of Italian parents. He has been Rector of St. Bede's College, Manchester, since 1891, and is distinguished as an Oriental scholar.

AUGUST 26 .- The Catholic Church in Ireland has been thrown into mourning by the death of one of her most distinguished and venerable sons—the Right Rev. Monsignor Gargan, President of St. Patrick's College, Maynooth—who passed away on Wednesday night, the 26th August, after a long illness. He was born in Co. Meath in 1819, entered Maynooth in 1836, and was ordained in 1843 by the Most Rev. Dr. Murray, Archbishop of Dublin. After a short time spent as Professor of Metaphysics in Irish College, Paris, he returned to his Alma Mater, where he was appointed to the Chair of Humanity in 1845. He continued a member of the staff of Maynooth to the end, and died President, a position which he filled for nearly ten years. He was thus brought into contact with every member of the Irish Hierarchy now living and many who have gone to their eternal reward, as well as with every priest who studied at the great ecclesiastical college at any time within the last sixty years. On all of them his gentleness, his amiability, his profound learning, and above all his zeal in the cause of his Divine Master, left a deep impression. During the last four years he literally spent himself in collecting funds to build the new tower and spire of the College Church, a work which he had the happiness to see completed. On Saturday, the 29th, his remains were interred in the College cemetery, after solemn Requiem High Mass, at which His Eminence Cardinal Logue prosided. A large number of the Irish Bishops and three Australian Bishops took part in the ceremonies.

AUGUST 30.—To-day the Most Rev. Dr. O'Dea, late Vice-President of St. Patrick's College, Maynooth, was consecrated Bishop of Clonfert in succession to the Most Rev. Dr. Healy, now Archbishop of Tuam. The ceremony, which took place in the Cathedral, Loughres, was attended by His Eminence Cardinal Logue, Primate of All-Ireland,

twenty Bishops, including three from Australia, over 200 priests, and a congregation of the laity so large that the sacred edifice was filled to overflowing. The consecrating Prelate was the Archbishop of Tuam, and the assistant Bishops were the Most Rev. Dr. MacCormack and the Most Rev. Dr. Lyster. The music on the occasion was rendered by the choir of the Pro-Cathedral, Marlborough Street, Dublin. The Consecration Sermon was preached by the Most Rev. Dr. Clancy, Bishop of Elphin.

## SEPTEMBER.

SEPTEMBER 21.—The Right Rev. Louis Casartelli was to-day conscrated Bishop in St. John's Cathedral, Salford. The Most Rev. Dr. Bourne, Archbishop-Elect of Westminster, was the consecrating Prelate. The sermon on the occasion was preached by the Abbot Gasquet, O.S.B.

SETTEMBER 28.—After a journey of thousands of miles over land and sea, the remains of the late Father Eugene O'Growney now rest in Maynooth. The affectionate regard in which his memory is held by his fellow-countrymen was clearly shown by the demonstration which accompanied his remains on Sunday from the Pro-Cathedral and the Broadstone Railway Station. Never has a more impressive or imposing procession taken place in the streets of the metropolis. Indeed, since the arrival of the remains in Queenstown on Friday, Bishops, priests, and laymen vied with one another in paying respect to the memory of Father O'Growney. In St. Colman's Cathedral, on Saturday morning, the Most Rev. Dr. Browne, Bishop of Cloyne, celebrated Requiem Mass for the repose of his soul. A procession was then formed, and as it wended its way to the railway, shops were closed and shuttered. At Kingsbridge, an enormous gathering awaited the arrival of the remains, and accompanied them to the Pro-Cathedral where they were received by the Very Rev. Father McEntee, Adm., and placed in St. Kevin's Chapel. The "De Profundis' was recited by Father Flavin, followed by five Paters and Aves in Irish. On Sunday, after an impressive service, Father Flavin pronounced the absolution, and the coffin was removed to the hearse by fourteen Meath men. As already stated, the procession through the city was most impressive. At Maynooth the remains were met by the Professors, 600 students, and a large concourse of clergy and laity. The college bell was tolled during the procession. On arrival at the College gates the students chanted the "Miserere" and the "Benedictus," also a "Lament for Father O'Growney" in Irish, written by a Dunboyne student. At the conclusion of the lament, Rev. J. M. O'Reilly, C.C., Tourmakeady, preached the panegyric of deceased in Irish. A Requiem Office was then sung in the College Chapel, and the Rosary in Irish recited by Dr. O'Dea, Bishop of Clonfert.

On Monday, the 28th, the funeral obsequies took place. The Bishops of Clenfert, Meath, Elphin, and Rockhampton, and a large number of priests, assisted at the function. All the prominent members of the Gaelio League were also present and joined in the funeral procession.

## OCTOBER.

OCTOBER 13 —The Month's Mind of the late Monsignor Gargan was celebrated with special solemnity in Maynooth College Chapel to-day. All the Bishops of Ireland, and several Australian Bishops, took part in the function. His Eminence Cardinal Logue presided, and Pontifical High Mass was celebrated by the Archbishop of Dublin.

OCTOBER 13.—At a meeting of the Trustees of Maynooth College, held to-day, the Rev. Canon Mannix, D.D., was elected President, and the Rev. Michael Fogarty, D.D., Vice-President. Canon Mannix has been Vice-President of the College for some months, having been elected to that position in June last. Dr. Fogarty has been Professor of Theology in the College since 1889.

OCTOBER 15.—The first Conference of the Catholic Truth Society of Ireland, which was held yesterday and to-day in Dublin, was a most gratifying success. At all the meetings the attendance of Bishops, priests, and laity was large and representative. His Grace the Archbishop of Tuam, President of the Society, occupied the chair. In his opening address His Grace stated that the Society had already issued and circulated 1,500,000 copies of their publications. Mr. Rochford, the Socretary, made an interesting and encouraging statement of the present position of the Society, and the results of its efforts. During the Conference papers were read on the following subjects:—"The Limitations and Possibilities of Catholic Literature," by Rev. Dr. Sheehan, of Doneraile; "The Aims of the Conference," by Rev. Dr. Hogan, Maynooth College; "The Work of the Catholic Truth Society," by Mr. James Britten, K.S.G.; "The Catholic Reading Guild," by Mrs. Moore, of Mooresfort, Tipperary; "The Catholic Journalism of To-day," by Father Finlay, S.J.; "How to Bring Home Catholic Truth to the Minds of Those Outside the Church," by Count Moore. The reading of the various papers was followed by interesting discussions on the questions raised.

The Archbishop of Tuam, in bringing the proceedings of the Conference to a close, announced that the next Conference would be held in the City of Cork, on the invitation of his Lordship the Bishop of Cork.

OCTOBER 16.—A series of important resolutions adopted by the Bishops of Ireland at their meeting in Maynooth, on the 14th instant, are published to-day. The first expresses regret that the Local Government Board has not given adequate support and protection to the nuns in Granard Workhouse Hospital. Their Lordships unanimously concur in the action which the Bishop of Ardagh has found it his duty to take in this painful case. The next resolution deals with the strained relations between clerical school managers and the National

Education Board brought about by the Resident Commissioner, and expresses the opinion that official steps should be taken to restore them to their normal friendly condition. A third resolution refers to the changes which are said to be in contemplation in the organisation of primary and secondary education, and a protest is made against any such scheme. The fourth resolution deals with the Irish University question, and an earnest hope is expressed that the Government will recognise the gravity of the evil and take effective measures to provide a remedy for the intolerable grievance which our Catholic students are forced to endure. Finally their Lordships order that "where there are public Novenas for the Feust of St. Patrick, such Novenas shall in future be specially offered for the spread of temperance in Ireland."

# NOYEMBER.

NOVEMBER 1.—In St. Jarlath's Cathedral, Tuam, the Most Rev. Dr. Healy was to-day invested with the Pallium. The ceremony, which was attended by all the Suffragan Bishops of the Province and a large number of clergy, was performed by the Most Rev. Dr. MacCormack, Bishop of Galway, Senior Suffragan. The Bishop of Elphin preached on the occasion.

NOVEMBER 9.—Monsignor Merry del Val, Pontifical Secretary of State, has received thousands of telegrams congratulating him on his elevation to the Cardinalate, many of the messages coming from Great Britain and Ireland. The new Cardinal on Monday, the 9th, held a reception in the Borgia apartments of the Vatican. Archbishop Bourne presented the homage of the English Faithful, and the Bishop of Chicoutimi, Quebec, that of Canada. There were also present representatives of the English, Irish, and Scottish and Canadian Ecclesiastical Colleges in Rome.

NOVEMBER 13.—The Most Rev. Dr. Bourne, Archbishop of Westminster, was to-day invested with the Pallium. The ceremony was performed by Cardinal Macchi in his private chapel in Rome.

NOVEMBER 17.—The Central Council of the Catholic Clerical Association of Managers of National Schools, recently founded, met in Dublin on the 17th instant, under the chairmanship of the Right Rev. Dean Byrne, P.P., Dungannon. Among its objects are the safeguarding of Catholic education and the advancement of primary education. It is also intended to promote the religious, social, intellectual, and financial improvement of National School teachers. At the meeting a series of resolutions were adopted pointing out the lines on which educational reform should proceed. The necessity for increased school building grants, better equipped schools, increase of the school staffs and of the teacher's initial salary was clearly shown. A resolution was also passed asking that children attending schools where the attendance is entirely Catholic should be free to practise devotions that will not interfere with their secular instruction and to wear such emblems of piety as to them and their parents may seem fit.

NOVEMBER 22.—The golden jubilee of the establishment of the Redemptorist Congregation in Limerick awakened extraordinary enthusiasm in that city, where, for fifty years, the Holy Fathers, as they are called by the people, have been working for the salvation of souls with zeal and devotion that nothing could surpass. The ceremonies connected with the happy event commenced on Thursday, the 19th, when the beautiful church at Mount St. Alphonsus was consecrated by the Most Rev. Dr. O'Dwyer, Bishop of the diocese. The public celebration took place on Sunday. The streets of the city were gaily decorated with bunting, and at night many of them brilliantly illuminated. Addresses were presented to the Fathers by the Corporation and other public bodies.

Solemn High Mass commenced in the Church of Our Most Holy Redeemer, Mount St. Alphonsus, at 12 o'clock. The Most Rev. Dr. O'Dwyer presided, and there were many members of the Irish Hierarchy present. After the first Gospel, the Most Rev. Dr. Clancy preached an eloquent discourse, in concluding which his Lordship said that in all developments that may arise we may look to the Sons of St. Alphonsus as the most zealous defenders of truth, and the most courageous supporters of the prerogatives of the Church. Side by side with the Sons of St. Dominick and St. Ignatius they will stand upon the battlements and wage unrelenting war against the enemies of

truth and virtue.

## DECEMBER.

DECEMBER 1.—In, answer to the bitter attack of Professor Tyrrell, of Trinity College, Dublin, on the Irish Catholic clergy for the expenditure in church building, the Bishop of Limerick has sent a long and vigorous letter to the Freeman's Journal. His Lordship says the Professor has no idea of the sense in which a church is to a Catholic the House of God, and his criticism is only a thin veil for insult. The Bishop observes: "Neither Professor Tyrrell, nor Dr. Mahafiy, nor all Trinity College can stop the growth of 'Romanism.' That is the real trouble. Our churches are but symbols of our resurrection."

In replying to Professor Tyrrell, of Trinity College, Dublin, the Freeman's Journal says: "When a Protestant Don of Trinity College talks about exacting money from an impoverished peasantry, the answer will rise upon every lip, Where do the fat salaries of Trinity's professors come from? Who are asking twenty-eight years' purchase for bogs in Kerry? What Church or creed in Ireland extorted even to the cost of blood its revenues from a famine-stricken peasantry to whom it brought neither religion nor education? Whence comes it that the Church to which Dr. Tyrrell belongs can boast through its Bishops, as it did the other day in Derry, that it 'asks nothing from the people'? Asks nothing? It has taken all."

DECEMBER 8.—At a meeting of Catholic graduates and undergraduates of various universities, including Oxford, the Royal, and even Diblin itself, held in the Mansion House to-day, a new association was founded. The first and principal object of the new body

is declared to be to organise and voice the claims of the Catholic body for equality in University education as laid down in the declaration of the Catholic laity in 1871, without, however, declaring in favour of any specific form of settlement by which that equality may be attained. His Grace the Archbishop fully approves of the attitude of the association in this respect. In a letter read at the meeting he warms the members against the danger of making the object at which they aim impossible "by reason of any difference of opinion as to the particular way in which equality had best be reached." "Make it publicly and widely known," writes his Grace, "that equality is at once the high-water mark and the low-water mark of your claim, that you will be satisfied with nothing less than equality and that you ask for nothing more."

DECEMBER 13.—Sunday was a day of great rejoicing in Inchicore. The very handsome Church of Mary Immaculate, which had been consecrated on the previous day by His Grace the Archbishop of Dublin was filled to overflowing by friends of the Oblate Fathers, who came from near and far to assist at the joyful ceremonies in celebration of the happy event. At 12 o'clock solenn H gh Mass commenced. His Grace the Archbishop was again present; so also were the Most Rev. Dr. O'Dwyer, Bishop of Limerick; the Most Rev. Dr. O'Neill, Bishop of Dromore; the Right Rev. Monsignor Lennon, Liverpool, and many distinguished ecclesiastics. The Very Rev. Father Nicholl, O.M.I., was celebrant. After the First Gospel the Very Rev. Dr. Butler, O.C.C., preached an impressive sermon, in the course of which he traced the history of the Degma of the Immaculate Conception.

DECEMBER 16.—After a brief illness the Very Rev. D. M'Intyre, Provincial of the Oblate Fathers, died to-day, at the House of Retreat, Inchicore. Deceaséd, who was in his 54th year, was a native of Donegal. After a distinguished course he was ordained in Autun, France, in 1878. His first mission was in Leeds. He was next appointed Superior of St. Kevin's, Glencree; then Professor of Theology at Raheny, where the French students sought refuge on being expelled by the Government of the day. He was next appointed Master of Novices at Belmont House, Stillorgan. About four years ago he was raised to the important position of Provincial, and took up his residence in Inchicore. The obsequies took place on Friday, when the great number of priests and laymen who attended testified to the wide respect in which deceased was held. His Grace the Archbishop of Dublin presided at the ceremonies, and the Superior-General of the Order was represented by the Very Rev. Father Miller, O.M.I.

DECEMBER 29.—On to-day, the Feast of St. Thomas of Canterbury, the Most Rev. Dr. Bourne, Archbishop of Westminster, was enthroned at Westminster Cathedral. The ceremony was carried out according to the ancient Catholic rite used in similar circumstances for the enthronement of the Archbishops of Canterbury before the "Reformation."

References to parents of present and former pupils in England, Ireland. France and Germany.

The following extract from the Tablet was written by Lady Georgina Fullerton shortly after the installation of the Community in England:

"At Upper Walmer, in Kent, the Nuns of the Visitation have opened a school in a charming country house, which they have converted into a convent. With its monastic buildings, its pretty chapel and picturesque belfry, Roselands looks like a bit of Germany transplanted amidst English village scenery. Of the merits of St. Francis of Sales' daughters, whether as nuns or teachers, little need be said. In his day they were called by the common people 'the Holy Maries,' and the spirit bequeathed to them by their fcunder and their first mother, St. Jane Frances de Chantal, has not departed from amongst them. The little hive, as St. Francis would have styled it, which has settled at Walmer, came over from Hanover when the Kulturkampf drove away the religious Orders. If parents want for their children bracing sea air and the knowledge of the purest German, joined to all them better supplied than at Roselands."

This was written twenty-eight years ago. The increasing development of the community since the time of Lady Georgiana Fullerton has secured for the Pupils the exceptional advantages enumerated

above.

In 1898, when the portion of the Church destined for the use of the boarders was being enlarged, the picturesque belfry to which Lady Georgina Fullerton alludes was replaced by an artistic tower, the work of Messrs. Pugin & Pugin, Architects, who built the Church in 1881, and designed the Convent and School Buildings, which were considerably enlarged in 1903.

## BLACKROCK COLLEGE

DUBLIN.

This College, conducted by the Fathers of the Society of the Holy Ghost, is situated on the South Coast of Dublin Bay, within a few miles of the City, with which there is both Tramway and Railway connection. It possesses every facility for promoting the physical, intellectual, and moral development of both boys and young men. The efficiency of its system is attested by its well-known successes at the various Examinations, and by the high positions filled by its past students in various careers.

There are Four Departments in Blackrock College:-

- 1. The Preparatory Department for boys under twelve.
- 2. The intermediate Department for all branches of liberal studies.

This Course embraces Ancient and Modern Languages, History and Geography, Mathematics, Physical and Natural Sciences, Elecution, Music, and Drawing.

The record of the excellent work done in this Department is to be found in the published results of the examinations conducted under the Intermediate Education Board, from 1879 to 1901. When the results were published for the first time in 1879, Blackrock was at the head of all the schools in the country, with a grand total of 48 Exhibitions and Prizes. Again in 1901, the last time a comparison of results was possible, Blackrock was still the first of the Colleges in the total of Exhibitions, Composition Prizes and other Distinctions.

3. The Commercial Department provides instruction for those who are intended for commercial pursuits, or may desire to be specially instructed in the subjects appertaining to Commerce, such as Shortband, Typewriting, &c.

4. The Civil Service and University Department to prepare for University Degrees and for various Civil Service examinations. This Department, known as Blackrock University College, is an entirely separate establishment, in which the students have their own private rooms. It is conducted under a liberal but well regulated regime, suited to the requirements of young men preparing for life in the world, and at the same time excluding the dangers necessarily connected with residence in the city.

Notwithstanding the keen competition for Civil Service appointments, the Blackrock University students have been remarkably successful in recent years as the following results will clearly show:

### ST. JOSEPH'S

## African Missionary Society,

#### CORK.

Founded under the special blessing of the Sovereign Pontiff and the Lord Bishop of Cork.

THE SOCKETY OF AFRICAN MISSIONS comprises Priests, Brothers, and Nuns. It was established at the earnest request and with the special benediction of Pope Plus IX. of happy memory, and has for its end the education of missionaries for the "Dark Continent" of Africa.

The missionaries of this Society have laboured with much fruit for over thirty years in many parts of Africa. The most abandoned and self-accrificing missions get their preference, such for instance as the benighted Idolators of Dahomey, Ashantees, Yoruba, Niger and the Delta regions.

Two houses of the Society presently exist in Ireland, St. Joseph's Apostolic College, Cork, and the Novitlate for the Sisters at Blackrock Road, also in the same City. The College is for the training of students in Classics, so as to enable them to enter the higher studies at the Mother house in France. Young ladies who aspire to become nuns in the Society receive the necessary training to equip them for their holy calling at the Blackrock Road establishment.

The essential qualifications for aspirants to the Apostolate are; (1) Determination to persevere in whatever sphere is allotted to them. (2) Sound constitution, free from hereditary disease. (3) Ability to acquire the necessary studies. (4) Being within the standard age, which is from 15 to 20 years.

The venerable Clergy and Religious Teachers of the Country are carnestly invited to extend their valuable co-operation, by recommending pious youths and maidens whom they deem worthy for such an inestimable vocation,

Every Christian who takes to heart the honour of God and the Salvation of immortal souls, will recognise the necessity of supporting such a meritorious work as evangelising their outcast brethren in Africa. Those who cannot consecrate their lives to this end may partake of the labours and merits of the missioners by supplying material assistance towards the education of poor but deserving students and nuns for this Scoiety. The late Sovereign Pontiff Leo XIII. bestowed his Apostolic Benediction upon the College and upon all those who support it.

A sum of \$200 is sufficient to educate perpetually a young missionary, and those who contribute towards the foundation of such a Burse will be remembered in the Holy Sacrifice of the Mass twice every week in perpetuity. All contributions, however small, are gratefully received, as the expenses are great.

Aspirants to the Priesthood or Sisterhood of the Society are asked to communicate with the Very Rev. J. Zimmerman, St. Joseph's Apostolic College, Cork, who will gladly give every facility to worthy candidates.

# ST. FLANNAN'S COLLEGE,

#### ennis.

Batten: MOST REV. THOMAS J. M'REDMOND, D.D., Bishop of Killalos.

President ( VERY, REV. PETER BOURKE.

Fire-Bresident: REV. RICHARD O'CONNELL.

St. Flannan's College stands on a limestone plateau about ten minutes' walk from Ennis, and fifteen minutes' from the Railway Station.

Owing to its limestone surroundings, and to the fact that the see is near enough to have its beneficial influence felt, the College enjoys a climate wonderfully like to that of far-famed Liedonvarna.

The system of Sanitation, outside and inside the buildings, is thoroughly up-to date and perfect in every detail—the greatest attention being bestowed on the neatness and cleanliness of the rooms, corridors, cloisters, and class halls.

Hence the health record of the College is unique. Not only is there a complete absence of all diseases, but boys with weak and delicate constitutions have grown strong and healthy during their term of residence.

There is a competent staff of masters for the Languages, for Mathematical Subjects, for Experimental Science and Drawing, and also for Music, both Vocal and Instrumental. The several class halls are fully furnished and equipped. A thoroughly sound education is imparted, which is invariably followed by success in after life, no matter what profession or business career is embraced.

St. Kieran's College is a beautiful, specious Gothic building erected on an elevated site in the midst of extensive grounds. The situation is exceedingly salubrious, and the health record of the students has always been eminently satisfactory.

In the Ecclesiastical Department, Candidates for the Sacred Ministry are educated for the Home and Foreign Missions, and several Burses are available every year for both classes of Students.

The Lay Students are prepared for the Intermediate, University, Civil Service, and other Public Examinations; and their seal is stimulated by Weekly Revisions, and by the public distribution of marks and premiums.

Parents are earnestly requested to send their children at an early age, as success in the Intermediate Course cannot otherwise be hoped for. Special arrangements have been made to provide for the wants of the younger boys.

Great care is bestowed upon the training of the Students in Elecution, and the sevices of the distinguished Elecutionist, Mr.

Surke, have been secured.

While the Moral and Religious training of the Students holds first place in the hearts of the Superiors, great attention is paid to the fostering of orderly and gentlemanly habits, to the dietary, and to the sanitary arrangements of the College.

The Aged Poor are received irrespective of creed, and are kept entirely free.

The Home has no funds, and depends for support on the alms, food, and left-off clothing collected daily by the Sisters.

The number of Inmates has considerably increased, consisting of 550, 150 being old men and women, the remainder being orphan children.

# Nazareth Lodge, Branch of Nazareth House, Home for Boys.

To meet the many pressing applications received, the Sisters purchased, in 1901, a house with ten acres of land for a Boys' Home, costing £4,000.

This house, having cost a considerable sum for repairs, proved quite inadequate for the large number of Boys who sought admission. To provide necessary space, the Sisters have in course of erection, a large new wing which will cost, when completed, £10,000.

To pay off this heavy debt,—as well as the previous one of £4,000,—the Sisters earnestly ask the aid of their kind and generous benefactors, to whom they have never appealed in vain. In return, they are assured of a daily remembrance in the prayers of the Community and Inmates.

Subscriptions and Donations will be gratefully received by the Lord Bishop of the Diocese, the Clergy of the City and Diocese, or by the Sister Superior, Nazareth House, Ballynafeigh, Belfast.

## St. Patrick's Refuge,

UNDER THE CARE OF THE SISTERS OF MERCY,

#### CROFTON ROAD, KINGSTOWN,

#### IRELAND.

A SHARE in your CHARITY is earnestly solicited for this poor Magdalen Asylum, which was founded in Bow Street in the year 1796. The Institution was subsequently transferred to Dominick Street, and in 1857 to Glasthule. Finally the penitents were removed, in 1850, to the present spacious building erected for them in Kingstown.

Some of these poor, destitute members of society have grown grey in their parsevering efforts to cling, like Magdalen, to the Cross, and never to return to that world which shaded their young days with sorrow. Others are only entering on a career of penance—that dreary way which mercy seeks to brighten—with the bitterness of disappointed hopes, which mercy strives to sweeten. and with the renouncement of those earthly joys, the falsity of which mercy endeavours to pourtray.

This is the good work for which an appeal is now made to those generous hearts ever found ready to aid the suffering.

The Sisters of Mercy would also remind a liberal public that this is by no means a local charity.

Prayers are daily offered for the spiritual and temporal welfare of living benefactors, and for the repose of the souls of deceased benefactors.

A debt of some thousands of pounds, incurred by the erection of the new Refuge, still hangs over the Asylum, and it is to relieve the Sisters of Mercy from part of this heavy responsibility and to aid them in maintaining the poor penitents that your assistance is now asked.

Surely they who contribute according to their means, to make the Asylum a comfortable and happy home for these poor penitents, are performing a great act of charity, and may expect a magnificent reward, for "Mercy exalteth itself above Judgment."

Donations will be gratefully received by his Grace the Most Rev. Dr. Walsh, Archbishop of Dublin; Very Rev. W. J. Murphy, P.P., Kingstown; at the Convent of the Sisters of Mercy, Baggot Street, Dublin; and at St. Patrick's Refuge, Crofton Road, Kingstown, Ireland, by Sister M. A. Connolly, Superioress.

# The Guild of St. Anthony of Padua.

#### FOUNDED 1895.

Blessed by the Diocesan, the Lord Bishop of Southwark, and by the Cardinal Archbishop of Westminster.

Assimilated to the Franciscan Capuchin Order by the Minister-General, so that Guild Members share in all Masses, Prayers and Good Works done by the Order throughout the world; and enriched by the Holy See with Plenary and Partial Indulgeness.

THE object of the Guild is to spread devotion to St. Anthony, and to distribute Bread to the Poor. The condition of Membership is to send name and address for official registration to the Guild Centre at Crawley. A Card of Membership, with Rules and Indulgences, sent on receipt of two stamps. No other subscription, annual or otherwise, of any kind whatever.

Though the Fathers live on alms which they gratefully receive, it is to be distinctly understood that bread-money is no charity to the Monastery, for every penny is spent on the real poor, and an account kept, which is yearly inspected by the Minister Provincial. Hence the Fathers recommend Members to spend bread-monies in their own locality.

The Official Organ of the Guild is The Franciscan Annals, edited and published at the Monastery, Crawley, Sussex.

All communications to be addressed, The Father Guardian, O.S.F.C., St. Anthony's Shrine and Guild Centre, The Monastery, Crawley, Sussex.

This Institute maintains and educates girls in everything necessary to fit them for Domestic Service, such as Cooking, Washing, Needlework, Housework, etc.

The girls who wish to be instructed in these duties must remain at least two years in training, at the expiration of which time they thoroughly understand their business, and are then provided with good situations and necessary outfit.

As the Orphanage has no Government grant or emoluments from any source, the Bishop, in consideration of the amount of good done, has authorized a Collector to receive Subscriptions towards the support of the Institute.

In addition to the Orphanage and Training Department, the Sisters also receive a limited number of respectable children, whose parents are unable to meet the expenses of a High Class Boarding School.

The Course of Instruction comprises English in all its branches, French, also Plain and Ornamental Needlework.

Pension, £12 per annum. Music is the only extra.

The Pupils are afterwards provided with various positions statements, Governesses, etc., either at home or in foreign countries.

This Establishment is situated about five miles from the town of Maryborough. The extensive grounds attached, and the pure invigorating air of the surrounding hills, render it a most healthy and desirable place for children.

Lady Luperintendent: Miss Julia Horan.

#### Explanatory Statement.

St. Laurence's Catholic Home has been established for the double purpose of providing a Home in Dublin for Catholic District Nurses for the sick poor of the City, and of training Catholic Nurses for dis-

trict work in the country.

The Nurses employed by the Home have had full Hospital training, in addition to the special training required for district visiting. They work under the direction of the local doctors, and go to the houses of the sick poor to whom they are sent, and do such work there as the nature of the case may require, thus bringing the benefits of skilled nursing and attendance within the reach of those who are unable to go into Hospitals.

Cases may be sent in by Doctors, Clergy, District Visitors, Sisters of Charity, the Society of St. Vincent de Paul, and others who are working among the poor, to the Superintendent, at 34, Rutland-square, Dublin,

who will at once send a Nurse to attend the case.

The services of the Nurse are given gratis. Those, however, who are not of the very poor, and who have availed themselves of St. Laurence's Nurses, are invited to contribute towards the funds of the Home. The smallest contributions are thankfully accepted.

Denations and Subscriptions are urgently needed, and gifts of linen, surgical and medical appliances, letters for convalescent homes, etc., will be specially acceptable, and may be sent to the Superintendent, at

34, Rutland-square, Dublin.

The following country districts are now supplied by the Queen Victoria Jubilee Institute with Catholic Nurses, who were trained in St. Laurence's Home—Achill, Ardmore, Armagh, Aughrim, Bray, Buncrana, Burriscarra, Cappoquin, Carrick-on-Suir, Castlebellingham, Castleknock, Charleville, Cork, Cushendall, Dalkey, Drogheda, Dublin, Dundalk, Galway, Howth, Kenmare, Kilcommon-Erris, Killarney, Limerick, Malahide, Mallow, Milltown, Mount Talbot, Naas, Newbridge, Oughterard, Portmarnock, Swords, Waterford.

The Most Rev. William Walsh, Archbishop of Dublin.

#### MEDICAL ATTENDANTS:

JOHN MURPHY, F.R.C.P.I., L.R.C.S.I.

St. Vincent's Asylum with accommodation for 150 patients, and standing on about 40 acres of ground, occupies an elevated and healthful position at Fairview, within a few minutes drive of Dublin, and commands views of it and the adjacent country. It is remarkable for the salubrity of the air, evidenced by the general good health of the inmates. The grounds for the recreation of the patients are large and laid out in beautiful style. The Institution is under the management and care of the Sisters of Charity of St. Vincent de l'aul, who, from previous training, are fully conversant with all modern improvements in the treatment and moral supervision of the insane.

The spiritual wants of the inmates are provided for by the daily attendance of a chaplain.

This Institution having been founded for the reception of female patients of the respectable and educated classes of society, a certain number are admitted at moderate pensions.

Higher class patients, who occupy separate apartments, are received on pensions which vary according to the accommodation required and the advantages afforded, which include carriage drives, special attendants, etc.

A complete system of classification is carried out by the separation of the buildings.

Further particulars can be learned at the Institution or by letter.

Applications for admission must contain all particulars as to the social position of the patient, her age, the character and duration of her malady, etc. Such communication shall be regarded as strictly confidential. All letters are to be addressed as follows:

The Superioress, Sisters of Charity, St. Vincent's, Convent Avenue, Fairview, Dublin.

TREET. Dublin.

(Under the Care of the Sisters of Charity.)

Was founded in November, 1872, for the treatment of the sick children of the poor of Dublin, who are received gratuitously into the Institution.

There is no Capital, no Fund, no Endowment; consequently the Hospital depends entirely for its support on voluntary subscriptions. The larger the contributions the greater number of sick children treated.

The Hospital is open to applicants of all religious persuasions. The religious training of children who are not Catholics is not interfered with in any way.

A Donation of £20 will support a Cot for one year.

A Donation of £100 will endow a Cot for the life of Donor.

A Donation or Legacy invested to produce £20 and upwards annually, or a Donation of £500, will maintain a Cot in perpetuity.

A limited number of young ladies are received for training in the nursing of sick children, and receive a Certificate on passing a successful examiation. Prospectus can be had on application to the Superioress.

Donations of clothing, furniture, toys, bottles, old linen, etc., etc.,

are always thankfully received.

UNDER THE CARE OF THE SISTERS OF MERCY.

#### Established for the Relief of the Sick Poor without distinction of Creed.

#### Supported by Voluntary Contributions.

Aid denied to no one as far as funds and accommodation permit.

The New Hospital Building was formally opened by His Eminence Cardinal Logue, on 23rd April, 1900, and affords

accommodation to 160 patients.

The benefits conferred by it are not confined to Belfast, but are freely and liberally bestowed on the Sick of the neighbouring Districts. 94,546 Patients have received treatment.

To be the means of restoring a father or mother to a helpless family is a blessing which cannot be over-estimated.

Where can Charity have freer or fuller scope than in maintaining a Hospital for the relief of the Sick of every Class and Creed?

How powerfully and eloquently it appeals in silent language to the sympathy of every kind and benevolent man or woman who has a heart to feel or an alms to bestow.

This Hospital has no endowment. Funds are urgently needed to maintain, and fully develop the sphere of usefulness for which the Hospital Building is so well adapted.

The House and lands known as Orlands, near Carrickfergus, which have been purchased by the Most Rev. Dr. Henry, will be a most useful auxiliary for the perfecting and

developing of the Hospital.

Subscriptions, donations and legacies earnestly solicited and will be thankfully received by the Most Rev. Dr. Henry, Lord Bishop of the Diocese; by the Priests of the Diocese; and by the Sisters of Mercy at the Hospital.

#### The Hattibarree Assam Tea Co.,

#### DIBRUGARH, ASSAM, and at 29 STRAND. CALCUTTA.

London Fenchurch-st., E.C. Established 1880.

23 EDEN QUAY, DUBLIN, October 1st, 1902.

DEAR MADAM.

Kindly note that the Company's business in Ireland having outgrown the accommodation of our former offices, No. 41, Fleet Street, the Dublin Depot has been moved to our new premises,

#### No. 28, EDEN QUAY,

(One minute from the corner of Lr. Sackville Street and O'Connell Bridge).

The New Buildings are central and extensive (the Stores extend to Old Abbey Street), and will, we trust, prove more convenient for our customers. The Directors being now in a position to conduct the Irish business on a much larger scale, confidently bespeak a wider share of public patronage, and pledge themselves that the principles upon which the Irish Agency was originally established, will be strictly adhered to, viz.—Supplying none other than Pure Indian Tea, the produce of their own gardens, and at London wholesale rates.

Until this Company started business in Dublic, nearly a quarter of a

wholesale rates.

Until this Company started business in Dublin, nearly a quarter of a century ago, it was not possible to buy Pure Indian Tea unmixed with the inferior Chinese Tea, and even now the bulk of the Tea sold is "blended" as the Trade phrases it, with Chinese Tea.

Although the Company's Teas are of the purest excellence, and have been awarded the highest prizes, the Directors are in a position to supply Tea better and cheaper than the ordinary dealer, because they grow the Tea themselves, ship it direct from their own plantations in Assam (thereby saving all Middlemen's profits), and by selling it on its merits, and for CASH ONLY, give the customers the benefit of the money which would otherwise be spent in Collectors' Salaries, Advertising, and to recoup Had Debts.

٠٠.

Hospitals, Convents, Colleges, Schools, the Trade. and large buyers supplied on liberal terms.

The Company's first shipment of New Season's Tea has just arrived, and is up to the highest standard of quality of previous years.

Thanking you most sincerely for past favours, and promising that your further esteemed orders shall receive our prompt and careful attention,

I remain.

Yours faithfully.

#### CATECHISM:

DOCTRINAL, MORAL, HISTORICAL, AND LITURGICAL, BY THE REV. PATRICK POWER.

In two volumes, price 7s. 6d., bound in fancy cloth,
CATECHISM OF CHRISTIAN DOCTRINE,
Familiarly Explained,

By the REV. PATRICK POWER, P.P., Cappoquin, With the Imprimatur of Cardinal Manning, Archibehop of Westminster.

Letter from his Eminence Cardinal Cullen, and from nearly all the Prolates in Ireland, strongly recommending the work, are inserted in the commencement of Vol. I.

"This Catechism, with wonderful precision and clearness, opens a vast field of information to the reader, in fact, leaves very few questions untouched, and in the explanation of each, is satisfactory."—Most Rev. Patrick Dorrian, Bishop of Down and Connor.

"Well adapted for the use of upper schools and of pupil and trained teachers, for whom some such a manual was much wanted."—Right Rev. J. Browne, Bishop of Shrewsbury.

"I consider your Catechism a beautiful and useful work—I think

the best in the English language."-Rev. Thomas Longman.

"I have a large collection of books—near a thousand volumes—and there is not a work in the entire I value more than the 'Oatechiam: Doctrinal and Moral;' nor do I know any work from which I have d rived more ready and useful information."—Rev. James M. Loughlin, P. P.

"For order of arrangement, for judicious brevity, combined with sufficient fulness of matter, and for general usefulness to the missionary priest, we know of no work on the Catechism more worthy of commendation than that of the Rev. Patrick Power. We have recommended it for some years, and I have found the coclesiastical students under our care in college, as well as the young priests who have departed to the foreign missions, experience the greatest advantages from the use of it."—The Pastor and his People, by the Rev. Thomas J. Potter.

"After forming as mature a judgment as possible upon its merits, we have only one conclusion to arrive at, viz., that the 'Catechism': Doctrinal, Moral, Historical, and Liturgical,' is one of the finest books of its class that ever appeared in print, and one of the most instructive works that can be found in the whole range of books pertaining to

Christian knowledge."—Glasgow Free Press.

LINGARD'S HISTORY OF ENGLAND. Newly abridged for use in Catholic Schools, and brought down to the Accession of King Edward VII. by Dom Henry Norbert Birt, O.S.B., with a Preface by Abbot Gasquet, D.D. In One Volume, with Map.

In One Volume, with Map.

"Dom Norbert Birt's volume has really given us what was needed, we have no hesitation in affirming as our conviction. From Abbot Gasquet's Preface we may take a passage describing its scope and character. The abridgment has not only, as Abbot Gasquet writes, been brought up to the level of modern requirements by embodying the results of researches made since Lingard's days, but with the last hundred pages in which Dom Birt ably summarises our history from James II. to the present year (making a volume of nearly 600 pages), with half-a-dozen genealogical tables and seven maps, besides the useful marginal notes, we have a work eminently adapted to give a student the help he requires. We believe that his work will, to a great extent, supersede the manuals now used in Catholic Schools, and make its way by its own merits into Protestant plans of Education."—Tablet.

## Workers in Enamel Mosaics.

During the past 37 years some of the most important Mosaics erected in The United Kingdom, throughout Europe, India, and The Colonies, have been executed by the Venice-Murano Company, the excellence of whose work has been attested by many distinguished Artists and Architects.

The following letter received from Cav. G. B. Giovenale, Architect to H. E. Cardinal Rampolla, on the completion of the Mosaics ordered by His Eminence for the church of St. Cecilia, in Trastavere, Rome, will give some indication of the quality of the work produced by the Venice-Murano Company:—

"The Mosaics are a perfect copy of the cartoons, reproducing with fidelity not only the outlines, but retaining in the treatment of light and shade, and in the expression of the faces, all the intentions of the artist who designed them, and truly interpreting the scheme of colouring expressed in the small sketches which accompanied the cartoons. Nor must I fail to express my admiration, and the admiration of those who have examined these Mosaics, at the perfect technique and wise distribution of the tesseræ by means of which all the most delicate effects of modelling and colouring have been obtained. This proves the artistic taste and technical skill of those who executed the work."—

June 11th. 1901.

The Company are prepared to carry out designs entrusted to them, or to furnish cartoons by artists specially employed for that purpose; and they will be happy to forward estimates free of charge, on receipt of Drawings and Quantities proposed to be executed.

A List of Testimonials and all information regarding Mosaic Work can be obtained by addressing the Secretary, at the Company's Head Office:—

VOLS. I., II., III., and IV.

Imprimatur-His Grace The Most Rev. W. WALSH, D.D.,

ARCHBISHOP OF DUB' IN.

Each Yolume of the "Little Treasury of Leaflets" is a complete Prayer Book. Prices from 1/-.

From the Ikish Monthly, May, 1900:-

The fourth volume of "THE LITTLE TREASURY OF LEAFLETS," published by M. & S. Eaton, of 49 Dame-street and 8 Grafton-street, Dublin, seems to be even more varied and attractive than its three predecessors. We think that it will only be through an oversight or ignorance of its existence if it fail to make its way into every Convent Chapel especially. Each volume of the series is a complete prayer book of a very novel kind, the prices ranging from one shilling upwards according to the binding. The publishers have issued an analytical table of contents of the first three volumes of these leaflets; and a very noveltique life it is. of the first three volumes of these leaflets; and a very appetising list it is.

THE Sisters of Charity who manage these extensive Industries have much pleasure in returning sincere thanks to the Clergy and Laity for the kind patronage and staunch support accorded by them to the Industries since they commenced in 1889. The object of these workrooms, which are now so widely known, is to provide employment for the poor of this populous district. As the goods sent out compare very favourably with those of other firms, the Managers feel confident of a continuation of the patronage given in past years.

#### COUNTY TIPPERARY PRIEST'S Testimony:-

"I have used 'Pigott's Preparation' (Lotio Crinalis), and must honestly say that I have derived great benefit from its use, It is the best remedy for weak hair and threatened baldness that has come within my experience. I have tried many others, largely advertised, but without the slightest benefit; their merit lies in the wide extent of their 'blowing' advertisements.

"In case of reference I shall be only too happy to speak well of Pigott's Preparation. I could not truthfully do otherwise.

"I write this letter, and in this ex-cathedra style, because I sincerely wish to see an Irish article of value receive from the people of Ireland and elsewhere the appreciation it merits."

### New Pocket Edition of the Breviary.

Edited by the Rev. Dr. MAGRATH.

The Cheapest, most Complete & most Convenient Edition published.

MESSRS. M. H. GILL & SON, LIMITED, beg to announce that they are about to issue a Pocket Edition of the Roman Breviary in four vols.—the first of its kind ever published in Ireland.

The Publishers confidently claim that this Edition will be found to possess a number of important practical advantages which will be sought for in vain in any pocket edition hitherto (so far as they know) published. Amongst these are the following:—

1. The volume for each quarter of the ecclesiastical year contains all such offices—whether of the General Calendar or of the Irish Supplement—as can be transferred to that quarter from any previous quarter or quarters. Two volumes (not always consecutive), or even three volumes (as in 1897, 1892, 1899, etc.) of other editions (including the latest and best) would be not infrequently necessary where one volume of this edition will suffice! And this is likeliest to occur in September—perhaps the favourite month for a holiday.

2. The pealms of Matins for the Officia Votiva per hebdo-

madam are, when special, given in full.

3. The Paslms of Matins for Offices having special paslms, (which are mostly the Offices of the greater Feasts) are given in full in a far larger number of cases than any other ministure

edition gives them.

4. The Psalms of Matins for all other Offices—whether of the Clemeral Calendar (excepting, for obvious reasons, the Tenebrae Offices), or of the Irish Supplement—are, when special, given almost in full, all psalms (excepting a few of inordinate length) being repeated unless they occur consecutively or almost consecutively elsewhere.

5. The greatest pains have been taken to facilitate the making of commemorations, especially in cases presenting special difficulty. In all the longer Offices the oratio is given at First

Vespers as well as at Lauds.

6. All the new Offices (1904) for the Patron Saints of the dioceses of Ireland are inserted in their proper places in the Irish Supplement.

7. The type of the Irish Supplement is uniform with that of the body of the Breviary, and the Offices in both are given with uniform fulness.

8. The price will be lower than that of any other Edition at

#### ALTADORE SANATORIUM, CO. WICKLOW,

This Sanatorium is delightfully situated among the Wicklow Mountains. The main building, which stands in its own grounds of 630 acres, is 750 feet above sea level, and is completely sheltered from the north, east, and west, while to the south it commands a fine view of the sea, some 5 miles distant. It thus combines the advantages of pure mountain air and pure sea air. There are out-door shelters, verandahs and sleeping bungalows, and trained nurses are employed. The diet is excellent, the sanitation perfect, and there is a constant supply of pure spring water. Milk from own tuberculintested cows. ### Sanctuary Gil.

For years repeatedly commended for purity and good burning by the authorities of the Church.

THE recommendations we continue to receive, added to the ever increasing sale we are favoured with, proves our assertion "that the Sanctuary Oil we supply is the finest obtainable." Still, with this Oil, certain conditions must be complied with in order to obtain perfect success. We herewith offer a few suggestions, which, if faithfully adhered to, will remove the difficulty often experienced in keeping the Sanctuary Lamp alight.

- No. 1.—For Altar purposes, No. 1 SANCHUARY OIL should always be used. It is a pure Vegetable Oil, and it repeatedly proves itself to burn more satisfactorily than any other quality.
- No. 2.—On no account should water be put into the Sanctuary Glass with this Oil;
  nor should any other Oil be mixed with it.
- No. 3.—If the dirty dregs of the Sanctuary Glass are put into the store of Oil, the Oil will cease to do its work satisfactorily.
- No. 4.—When replenishing the lamps, see that the wick is dry and firmly fixed in the holder. The glass must be both dry and perfectly clean.
- No. 5.—The size of the light may be regulated by the size of the 8-day Wicks used,
  No. 3 giving the largest flame. No. 2 gives a good light and answers
  well for all purposes.
- No. 6.—\* We strongly recommend the FREE CANS system, as it saves the Gustomers the annoyance and expense of returning empties, and also ensures them against having Oil spoilt by rust, new Cans only being used.

  \* We recommend the use of the Oil Store Can.

WAX AND CHURCH CANDLES-" EXCELLENCE OF QUALITY."

The only Medal awarded for Church Candles.

FRANCIS TUCKER & CO., Lad., have the pleasure to acquaint the Right Rev. the Bishops, the Very Rev. and Rev. the Clergy of the Catholic Church, and the Heads of Religious Houses, that a Medal was awarded to them by the Jurors of the International Exhibition for excellence of quality of Wax Candles, and of Candles made of a Vegetable Material, which is the only instance, they believe, amongst the number of Foreign and English Exhibitors, of a Prize kaving been obtained for Church Candles.

Supported by the Patronage of his Eminence the Cardinal Aschbishop of Westminster, and by the distinction they have won in the International Exhibition, FRANCIS TUCKER & CO. hope to receive a continuance of the preference which has been given to them for so many years.
